

## Ff by Tetrad

For this collection, imagination was the driving force in the creative process as we pored over the little details in our designs to deliver pieces of outstanding quality that also makes a statement.

Classic meets contemporary!

A classic is considered so for a reason, it cannot be improved upon. However, you can bring it up to date by introducing contemporary elements to suit today's preference toward casual living. With a wide choice of quality textiles and a modern pulse, this collection delivers just that, striking individual pieces that will be cherished for a life time. What's more, your Tetrad furniture will be meticulously hand crafted by our talented team in Lancashire, adding a personal touch to your home. After all, home is what you make it. Make it you, make it Tetrad.

A special thank you to the team at Bowcliffe Estate. The Blackburn Wing, a copper & glass award winning venue nestled in ancient woodland provided us with an aviation inspired décor and ample spaces, with sweeping steel arches making it the perfect backdrop for the collection.
