

Introduction

Situated in the heart of Lancashire, Tetrad has been creating quality handcrafted sofas & chairs for over 50 years.

The famous Harris Tweed cloth has been handwoven in the Outer Hebrides for many generations, the iconic Orb and Maltese Cross trademark being introduced in 1910. Its enduring appeal, favoured by Royals & designers alike, is now thanks to Tetrad available on a comprehensive range of upholstery.

Our furniture begins with a hand built traditional hardwood frame and fully coil sprung seat platform, each model is then skilfully upholstered by one of our time served craftsmen. The end result being a heritage piece that will become 'an heirloom of the future'.

Située au coeur du Lancashire, au Nord-Ouest de l'Angleterre à Preston, la société Tetrad fondée en 1968, est renommée pour sa production artisanale de sièges de qualité depuis plus de 50 ans.

Le célèbre textile Harris Tweed tissé mains dans îles Hébrides extérieures depuis des générations est un label déposé en 1910: "Harris Tweed". Son attrait intemporel, apprécié par la Famille Royale et les designers, est désormais également disponible dans une collection de sièges grâce à Tetrad.

Nos sièges, en bois massif avec suspensions ressorts, sont individuellement et habilement fabriqués puis tapissés de manière traditionnelle par nos ébénistes et tapissiers. Tout comme un meuble de famille, il se transmet de génération en génération.

Im Herzen von Lancashire produziert Tetrad in Handarbeit seit über 50 Jahren qualitativ hochwertige Sofas und Sessel.

Der berühmte Harris Tweed Stoff wird seit Generationen in den äusseren Hebriden gewebt. 1910 wurde das ikonische Markenzeichen in Form von Kreis und Malteser Kreuz eingeführt. Sein andauernder Appeal, von Royals und Designern gleichermassen favorisiert, ist nun dank Tetrad auf einer umfassenden Polstermöbelkollektion erhältlich.

Unsere Möbel haben traditionelle Massivholzrahmen sowie voll sprunggefederte Sitzflächen. Jedes Modell wird von fachkundigen und erfahrenen Polsterern bearbeitet, mit dem Resultat, dass Sie ein Sofa erwerben, welches durchaus ein zukünftiges Erbstück werden kann.

Weaving

This vitally important and very skilled process sees thousands of warp threads gathered in long hanks in precise order and wound onto large beams ready to be delivered, together with yarn for the weft, to the weavers at their homes.

All dimensions are approximate and we reserve the right to amend in the interest of improved quality.

Tetrad full grain leathers and the hand woven Harris Tweed fabrics may vary in colour and texture. Markings in the hide and slubs in the fabric are regarded as natural characteristics. Colours are also subject to the limitations of the print process. If in doubt we advise you to request a sample from us via the website or your local stockist.

Feather fillings - we recommend that all cushions are plumped and turned on a regular basis in order to maintain loft and appearance. Due to the nature of the handcrafted build and finish of our products, slight variations in the finished article may occur.
